

*The facts about organ, eye & tissue donation*

• **One** organ donor can save 8 lives.

- Anyone can register to be an organ, eye and tissue donor regardless of age, race or medical history

**Register online at [www.registerme.org](http://www.registerme.org)**

- The first priority of medical professionals is to save lives. Organ donation can only be considered if you die and after your family has been consulted.

IT'S **NOT** AGAINST YOUR RELIGION.

FACT: ALL MAJOR RELIGIONS  
SUPPORT ORGAN DONATION.

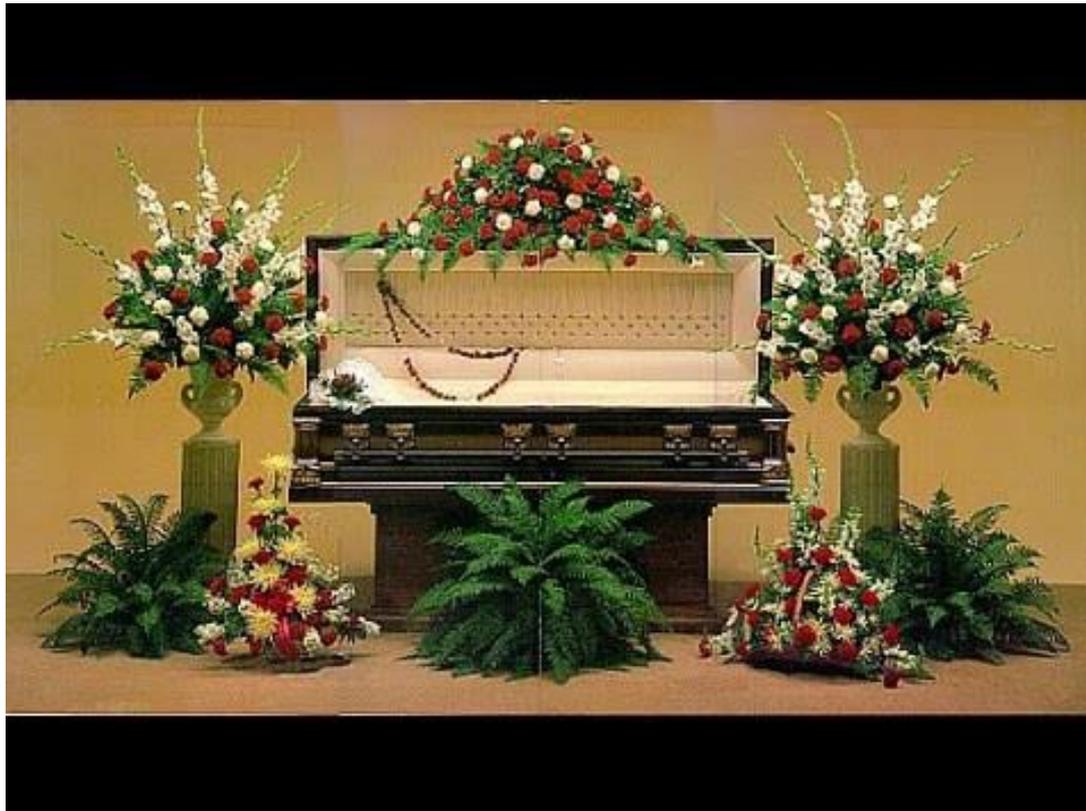

# FACT

- There is no cost to the donor's family or estate for organ and tissue donation. Funeral costs remain the responsibility of the family.

- If a donor chooses to have an open-casket service, no one will be able to tell he/she was an organ, eye or tissue donor

## - OUR MISSION -

- ▶ *To save and enhance lives by recovering organs and tissues for transplant.*
- ▶ *To encourage donation through community and professional education.*
- ▶ *To honor and support those who have given the Gift of Life.*
